

Academic Challenge Virtual Open House

Monday, August 10, 2020

The ACADEMIC CHALLENGE PROGRAM invites all Level 1, 2, and 3 students to participate in virtual meetings of their math and English classes on Monday, August 10, 2020.

The virtual experience will assist with the transition to the online learning environment and prepare our students to hit the ground running on our first day of classes, Tuesday, August 18, 2020.

During the Open House Zoom session, students will have the opportunity to:

- Meet their instructor
- Be introduced to their course in D2L
- Understand attendance expectations
- Ask questions about summer work
- Sign in to MyMathLab (math students)

Parents are welcome to join!

Open House class meetings will be followed by a Level 1 Book Chat and the final Level 1 Math Tutorial Session. Finally, Level 1 parents are invited to attend a Zoom Q&A session with AC Program Coordinator Liza Dolan to address any questions left unanswered by the earlier Open House Sessions.

Schedule for the event

2:00 – 3:00 pm	Morning Class Meetings	Please refer to your schedule for a link to your Zoom class.
3:00 - 4:00 pm	Afternoon Class Meetings	
4:00 - 5:00 pm	Level 1 Book Chat	https://dtcc.zoom.us/j/97240100810
5:30 – 7:30 pm	Level 1 Math Tutorial Session	https://dtcc.zoom.us/j/98959090867
7:30 – 8:30 pm	Q&A with Ms. Dolan	https://dtcc.zoom.us/j/98451132179

All students should set up their DTCC accounts prior to their Open House class meetings with their instructor. For assistance with technical difficulties, please log in to a Zoom meeting with Ms. Sorensen at <https://dtcc.zoom.us/j/95039646897> between 10:00 am and 4:00 pm on August 10, or call the Del Tech Help Desk at 302-259-6285.
